Day 3 Welcome to Melbourne, Australia

On arrival into Melbourne you will need to clear customs and make your way through the main arrivals hall from where you can make your own way to your hotel.

At first glance, Melbourne may resemble any other modern city with its skyline full of concrete and glass. However, if you look a little closer, you'll find the real Melbourne, a city of unique charm. There are the clanging trams (street cars), swanky boutiques, friendly taxi drivers, Australian Rules Football, fickle weather and 'BYO's', by the hundred (restaurants to which you bring your own liquor or wine). Add to this, Melbourne's traditional virtues of tree lined boulevards, glorious parks, elegant buildings and imposing Victorian Banks and Churches, and of course the giant Melbourne Cricket Ground and you'll have some idea of the city.

Melbourne has become a polyglot society with a huge diversity of cultures, Italian, Greek, East European, Middle Eastern and Asian. This diversity is reflected in the food styles, the lifestyle, and even the language spoken in the street.

Days 4-6 At leisure, Melbourne

At your leisure to explore the very cosmopolitan city of Melbourne. The many attractions of the city vary from the spectacular parklands and gardens that surround the city, to the museums and festivals that are a continuing part of the city life. Excellent restaurants are on every corner and cater to every taste in the world.

Day 7 Fly Melbourne to Sydney

Make your way to the airport for your onward flight.

Sydney - Australia's premier city is the oldest settlement in Australia, the economic powerhouse of the nation and the country's capital in everything but name. Built on the shores of the stunning Port Jackson, you would have to die and go to heaven before you see a more spectacular setting for a city. It's a vital, self-regarding metropolis, exuding both a devil-may-care urbanity and a slavish obsession with global fads. The Sydney area was the ancestral home of the Daruk tribe, whose territory extended from Botany Bay to Pittwater.

There are some 2000 Aboriginal rock engraving sites in the Sydney area, and many of Sydney's suburbs have Aboriginal names. The city of Sydney began life as a penal colony in 1788 and for the next 60 years received the unwanted, persecuted and criminal elements of British society. Despite its brutal beginnings, the city's mixture of pragmatic egalitarianism and plain indifference has transformed it into a thriving multicultural society. Sydney now attracts the majority of Australia's immigrants and the city's predominantly Anglo-Irish heritage has been revitalized by large influxes of Italian, Lebanese, Turkish, Greek, Chinese and Vietnamese.

Days 8-10 At leisure, Sydney

At your leisure to explore Sydney. Most of the major attractions of the city are within easy walking distance of your accommodation - Sydney Opera House, Darling Harbour, Centrepont Tower, Circular Quay, The Rocks etc.
